

BOARD GAMES CLUB

About the Club

The board games club is a welcoming and inclusive club for all learners to come together and enjoy the different board games. The board games are a fantastic way to develop critical thinking in a relaxed environment. We have a number of board games which include ,snakes and ladders, Luddo, monopoly, scrabble, chess and checkers.

Mission

To provide an atmosphere for students to relax ,socialise and improve on their strategic thinking skills with great character in a Godly environment.

What we do

Weekly game sessions which take place on Monday where we teach and play chess and checkers, Thursday where we have an open gaming section where members can choose from our extensive game library.

We organize internal tournaments and we as well go out for external ones through out the year for games like chess and checkers for those learners with a competitive spirit.

Why join the club.

Enhancement of skills, learners are able to improve on their strategic thinking , decision making and problem solving abilities.

Boost social skills, learners get a chance to connect with new people and learn how to communicate ,negotiate and collaborate with peers.

Becoming a leader, Experienced members get a chance to take on the role of " Game Masters," helping to teach games to new comers and fostering a welcoming environment to everyone and to as well become club leaders like presidents of the club and others.

How to join

Interested learners should attend our weekly meetings to sign up. All learners are welcome to join at any point in the school year.

Club Rules

To ensure positive experience for everyone we ask all members to follow our club rules.

Respect the games (Treat all boards with care), food and drinks should be kept away from game tables.

Respect each other ,practice good sportsmanship, whether you win or lose. We expect all members to be kind and encouraging to one another.

Clean up. All players are responsible for helping to pack up games and return them neatly to the club library at the end of the session.
